Structure and Remit

The Governing Body needs to take a strategic role, act as a critical friend to the school and be accountable for its decisions. It should set aims and objectives and agree, monitor and review policies, targets and priorities.

The Full Governing Body meets 4 times during each academic year. There are also Sub-Committees which consist of Curriculum, Finance & Premises and Staffing which meet once every term. The Pay Panel Committee meets twice a year. As well as meetings Governors are expected to undertake at least 3 visits to the school each academic year to formally report to the Full Governing Body on their Key Stage responsibility as well as any other monitoring visits that have been assigned. Governors may also report on activities such as enrichment activities, trips and extra-curricular activities.

The Governing Body has clear aims and objectives and there is a clear strategy in place to monitor and review policies, targets and priorities.

Invited guests to Governing Body meetings include Mrs Baker (Deputy Head). Invited guests do not have voting rights. Key Stage Leaders and Subject Leaders may also be invited to provide presentations on their relevant area.

All Governors are attached to subjects, departments and statutory areas of responsibility. For the academic year 2018-19 the following Governors are attached:

Business and Pecuniary Interests & Declarations of Interest

The Governing Body and school staff have a responsibility to avoid any conflict between their business and personal interests and affairs and those of the school. To help put this duty into practice, a Governing Body is required to establish and maintain a register of pecuniary interests indicating, for all Governors and the Headteacher, any business interests.
